

Cut me loose

Today I raped
All the dreams we built
together through these years
It amused me to see them
Die inside your eyes
I wanted to payback
Your arrogance and your lies

I'm so numb of your lies
I'm the fool who did everything for you
You took it all for granted
While the rage built inside me

You loved to use me
Than you spat me out
and took some new friends
You left me behind
Suffering my own bitterness

So why are you so suprised
To feel the hate
Growing inside of me

**I
WON'T
BE
ONE
OF
YOUR
SLAVES
FOR ETERNITY**

**TODAY I CUT MYSELF
FREE OF YOUR SPELL
NOMORE
EVER AGAIN I WILL CRAWL FOR YOU
NOMORE
EVER AGAIN I'LL BE YOUR FUCKING FOOL
NOMORE NOMORE
I WILL NOT DIE FOR YOU
CRY AS YOU WANT
HURT YOURSELF
I DON'T CARE
NOMORE NOMORE
WILL I DIE FOR YOU**
